

DATA SHEET: TERMINAL BLOCK CBC BLUE, 16mm²

SCHRACK-INFO

- UL94V-0
- Reduced overall dimension
- Patented "Easy bridge" system:
double possibility to insert PTC multipole cross-connections,
without the need of insulating protection
- Available in blue RAL 5015 and beige RAL 1001 colours

TECHNICAL DATA

Rated cross-section (mm ²)	25
Connecting capacity	
flexible (mm ²)	25
rigid (mm ²)	25
max. flexible with ferrule (mm ²)	16
Rated voltage	1000V
Rated current	101A
Gauge	B7
Rated impulse withstand voltage	12kV
Pollution degree	3
Insulation stripping length (mm)	15
Tightening torque value (test/max) (Nm)	2/3
Height / width / thickness	56/47/12

DESCRIPTION	ORDER NO.
Terminal block CBC blue, 16mm ²	IK111016
