## Comfortable LED light that's easy on your eyes

Philips LED luminaires provide light that is designed for the comfort of your eyes.

### Easy to experience

- Choose how and where light falls with these adjustable modular lights.

### Premium quality

- EyeComfort – light that's easy on the eyes

### Material and finishing

- High-quality metal material

### Durability

- Long life span of up to 20,000 hours

# Highlights

## Adjustable modular light EyeComfort

Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, colour rendition and dimming effects to

ensure they meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output and colour for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

## High-quality metal material

Durable and attractive metal material for a strong finish.

## Long life span of up to 20,000 hours

Philips LED technology extends your product's lifetime up to 20,000 hours.
